

Affordable Seychelles

Seychelles Secrets invites you to quench your thirst for well-being amid the natural, unprocessed luxury of a unique collection of the island's finest small hotels, guest houses, villas and self-catering establishments. These represent the ideal platform from which to discover the amazing diversity that makes the Seychelles Islands what they are...another world, as well as the many attributes of its timeless island lifestyle.

Innately authentic, and each with its own intimate Creole ambiance, Seychelles Secrets hotels offer a wonderfully affordable introduction to the vibrant culture and stunning natural beauty of the islands

- a passport to a soulful world with time to enjoy life at a gentler, more natural pace.

Each one nestling in its own picturesque surrounds, these charming establishments pride themselves on offering value for money and also resonate with the values which set Seychelles apart as a destination: those of a destination still steeped in tradition far from the madding crowd and a sanctuary for much that has been lost elsewhere.

Let Seychelles Secrets sweep you off your feet and into a pristine world still sparkling with its first beauty, where safety, diversity and harmony form the ingredients of a magical and unforgettable tropical lifestyle.
